

# Registration Form

## **For Participation in the Sub-Technical Working Process to Create the Environmental Code**

1. Having read the Terms of Reference for the Sub-Technical Working Groups created by Decision No. 14 of H.E. Minister Say Samal, Minister of the Environment, dated 13 July, 2015;

Having read the updated Terms of Reference for the Sub-Technical Working Groups dated 4 September, 2015;

Having read the explanatory letter dated 4 September, 2015 from Vishnu Law Group, and

Having agreed with the Guideline on CSO participation dated 4 September, 2015,

\_\_\_\_\_ hereby confirms its interest to participate  
**(insert name of CSO, company or other business)**

CSO/NGO    private firm    development partner    other

as a non-governmental representative in the following one or more Sub-Technical Working Groups:

- STWG 1: Sustainable Cities and Green Economy
- STWG 2: Waste Management and Pollution Control: Noise, Vibration, Air, Water, Soil and Visual Pollution
- STWG 3: National (Botanical) Park, Wildlife and Biodiversity Conservation
- STWG 4: Heritage Site and Park Conservation
- STWG 5: Biodiversity Conservation for Freshwater, Marine, Sub-marine Life and Relevant Wetlands Management
- STWG 6: Mining Research, Exploration and Extraction
- STWG 7: Environmental Information, Research, Development and Communication

2. Furthermore, recognizing the need for regular participation and continuity of the process to create the Code, we agree to appoint

Mr./Ms. \_\_\_\_\_ to attend all Sub-Technical Working Group meetings and other events and activities as representative, and

Mr./Ms. \_\_\_\_\_ as an alternate participant as required on rare occasions.

We understand that final decisions of the Permanent Secretariat regarding participants will be based on the number of registration requests received and the skills and experience of the applicants. We further understand that, if selected to serve as a non-governmental representative in any STWG, we will fulfill those requirements as set forth in the Procedures on CSO and other Stakeholder Engagement and use our best professional efforts to ensure the smooth operation of the Sub-Technical Working Groups.
